

Finding it hard to save a deposit?

Why not talk to our **property and investment mentor** who has helped many first home buyers plan to save and create a meaningful household budget?

By joining the Solid mentor programme you are guaranteed personalised service. Lynne will meet with you and spend approximately two to four hours looking at your assets; liabilities and structure.

You will receive a report that gives you options over your current debt levels and other commitments. These options are for both now and the future and often alleviate unnecessary debt and create a passage to start investing.

To make an appointment please phone Lynne Wilton on **0418 157 222**.

Our service is all about you... we can help you take the the first steps toward climbing on the property ladder.
